County Insurance Services
... the thatched and country
homes experts

Finding the right company to insure your thatched house or country home isn't always easy. It's a specialist area of insurance. County Insurance Services offer cost-effective policies and have a team of dedicated professionals who understand your requirements and can respond to them without delay.

Insuring Rural Homes Since 1989

County Insurance Services is a family owned, independent company which is innovative, forward thinking, but traditional in its values. The company's specialist Thatched & County Homes Policies are the choice of prestige home owners all over the UK. County Insurance Services' reputation is built on extensive knowledge and years of experience. That is why other Insurance Brokers and professionals such as Accountants and Surveyors also rely on County Insurance Services to arrange their prestige homes cover.

Rest Assured ...

With County Insurance Services you enjoy the peace of mind which comes from knowing your home and its contents are properly safeguarded.

As well as competitive premiums, County Insurance Services offer:

- Discounts for combined building and contents insurance
- Voluntary excess options
- Interest free instalments by direct debit
- A personal and professional service ...

Making Life Easier ...

There was a time when insurance quotes took forever. With County Insurance Services, the majority of quotations can be dealt with over the phone and your documents sent by email, if you prefer.

County Insurance Services' pre-printed proposal forms simply need to be checked and signed, saving you the burden of time-consuming paperwork.

The company has its own team of in-house underwriters, which means your policy can normally be issued within 24 hours.

In Times of Trouble ...

County Insurance Services understands your need for a fast response. They are on hand when you need them most. Claims of up to £2,500 can be authorised in-house, making sure your problems are quickly resolved.

Trained staff are there to offer you advice and guidance, whilst the County Insurance Services network can even help connect you with the right trades: from Master Thatchers to fire consultants, carpet cleaning companies to approved electricians.
